# Contributor Agreement

Thank you for your interest in contributing to the *Badge Programm* by *Zentrum für Digitale Souveränität der Öffentlichen Verwaltung (ZenDiS) GmbH* ("We" or "Us").

The purpose of this contributor agreement ("Agreement") is to clarify and document the rights granted by contributors to Us. To make this document effective, please follow the instructions at

<https://gitlab.opencode.de/open-code/badgebackend/badge-api/-/blob/main/CONTRIBUTING.md>

## How to use this Contributor Agreement

If You are an employee or servant and have created the Contribution as part of your employment or service relationship, You need to have Your employer or principal approve this Agreement or sign the Entity version of this document. If You do not own the Copyright in the entire work of authorship, any other author of the Contribution should also sign this – in any event, please contact Us at [hello@zendis.de](mailto:hello@zendis.de).

### 1. Definitions

**"You"** means the individual Copyright owner who Submits a Contribution to Us.

**"Contribution"** means any original work of authorship, including any original modifications or additions to an existing work of authorship, Submitted by You to Us, in which You own the Copyright.

**"Copyright"** means all rights protecting works of authorship, including copyright, moral and neighboring rights, as appropriate, for the full term of their existence.

**"Material"** means the software or documentation made available by Us to third parties. When this Agreement covers more than one software project, the Material means the software or documentation to which the Contribution was Submitted. After You Submit the Contribution, it may be included in the Material.

**"Submit"** means any act by which a Contribution is transferred to Us by You by means of tangible or intangible media, including but not limited to electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Us, but excluding any transfer that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

**"Documentation"** means any non-software portion of a Contribution.

## 2. **License grant**

### 2.1 **Copyright license to Us**

Subject to the terms and conditions of this Agreement, You hereby grant to Us a worldwide, royalty-free, non-exclusive, perpetual and irrevocable (except as stated in Section 3.2) license, with the right to transfer an unlimited number of non-exclusive licenses or to grant sublicenses to third parties, under the Copyright covering the Contribution to use the Contribution by all means, including, but not limited to:

- publish the Contribution,
- modify the Contribution,
- prepare derivative works based upon or containing the Contribution and/or to combine the Contribution with other Materials,
- reproduce the Contribution in original or modified form,
- distribute, to make the Contribution available to the public, display and publicly perform the Contribution in original or modified form.

### 2.2 **Moral rights**

Moral Rights remain unaffected to the extent they are recognized and not waivable by applicable law. Notwithstanding, You may add your name to the attribution mechanism customary used in the Materials you Contribute to, such as the header of the source code files of Your Contribution, and We will respect this attribution when using Your Contribution.

## 3. **Patents**

### 3.1 **Patent license**

Subject to the terms and conditions of this Agreement You hereby grant to Us and to recipients of Materials distributed by Us a worldwide, royalty-free, non-exclusive, perpetual and irrevocable (except as stated in Section 3.2) patent license, with the right to transfer an unlimited number of non-exclusive licenses or to grant sublicenses to third parties, to make, have made, use, sell, offer for sale, import and otherwise transfer the Contribution and the Contribution in combination with any Material (and portions of such combination). This license applies to all patents owned or controlled by You, whether already acquired or

hereafter acquired, that would be infringed by making, having made, using, selling, offering for sale, importing or otherwise transferring of Your Contribution(s) alone or by combination of Your Contribution(s) with any Material.

### **3.2 Revocation of patent license**

You reserve the right to revoke the patent license stated in section 3.1 if We make any infringement claim that is targeted at your Contribution and not asserted for a Defensive Purpose. An assertion of claims of the Patents shall be considered for a "Defensive Purpose" if the claims are asserted against an entity that has filed, maintained, threatened, or voluntarily participated in a patent infringement lawsuit against Us or any of Our licensees.

## **4. Liability**

The statutory provisions of the law on donations apply: you are only liable for intent and gross negligence.

## **5. Warranty**

5.1 If you maliciously do not disclose a defect in title, you are obliged to compensate us for the resulting damage.

5.2 If you maliciously do not disclose a defect in the contribution, you are obliged to compensate us for the resulting damage.

## **6. Term**

6.1 This Agreement shall come into effect upon Your acceptance of the terms and conditions.

6.2 In the event of a termination of this Agreement Sections 4, 5, 6, and 7 shall survive such termination and shall remain in full force thereafter. For the avoidance of doubt, Free and Open Source Software (sub)licenses that have already been granted for Contributions at the date of the termination shall remain in full force after the termination of this Agreement.

## **7. Miscellaneous**

7.1 This Agreement and all disputes, claims, actions, suits or other proceedings arising out of this agreement or relating in any way to it shall be governed by the laws of Germany excluding its private international law provisions.

7.2 This Agreement sets out the entire agreement between You and Us for Your Contributions to Us and overrides all other agreements or understandings.

7.3 If any provision of this Agreement is found void and unenforceable, such provision will be replaced to the extent possible with a provision that comes closest to the meaning of the original provision and that is enforceable. The terms and conditions set forth in this Agreement shall apply notwithstanding any failure of essential purpose of this Agreement or any limited remedy to the maximum extent possible under law.

7.4 You agree to notify Us of any facts or circumstances of which you become aware that would make this Agreement inaccurate in any respect.
